

NYSCHA/NECHA 2007 Combined Annual Meeting

Hosted by the New York State College Health Association

Summary of Overall Evaluations

By attending the NYSCHA/NECHA Annual Meeting, I:	Disagree + Strongly Disagree	Neutral	Agree + Strongly Agree
1. Increased my understanding of the ways college health professionals have an impact on the health and well-being of college students.	--	3% (3)	98% (100)
2. Learned ways in which clinical and non-clinical staff members can collaborate to provide care and services to students.	3% (3)	11% (11)	86% (85)
3. Learned skills and/or information I can apply to my work.	--	1% (1)	99% (101)
4. Increased my understanding of health issues facing college communities.	1% (1)	3% (3)	96% (99)
This Annual Meeting:			
5. Offered a variety of programs to meet my interests.	1% (1)	8% (8)	92% (94)
6. Stimulated/challenged my thinking.	1% (1)	2% (2)	98% (100)
7. Gave me an opportunity to meet & talk with college health professionals.	--	2% (2)	98% (101)
8. Met my expectations.	--	6% (6)	94% (96)
