The Kathy MacLachlan Memorial Lecture

This lecture is named in memory of Kathy MacLachlan in recognition of her significant contributions to college health throughout her career as a Nurse Practitioner at Syracuse University. Those of us who had the pleasure of working with Kathy knew her to be a caring and nurturing health care provider and a supportive, warm, and dedicated member and leader on the NYSCHA Executive Board. We are forever grateful for all Kathy did for students and for her college health colleagues throughout her career. We feel her loss but are thankful we had the opportunity to know her and learn from her.
